### Making Progress in Bringing Catholic Radio Back to Birmingham

Your response to our first newsletter has been overwhelming. It is a clear confirmation that people do want Catholic programming back on the air in the Birmingham area. We have received a number of donations—from Catholics as well as non-Catholics. Most recently, we got a remarkable pledge for \$100,000! All this generosity has moved us closer to being able to make a serious offer on a radio station. Just as encouraging as the donations we've received, have been the notes we're getting from people who are praying to bring Catholic radio back to Birmingham.

One hopeful supporter wrote: *"I am looking forward to having Catholic radio once again. I'd like to support Queen of Heaven Radio with my prayers and financially. God bless you for your time and efforts."*

Another wrote: *"My beloved husband, Paul, always loved, listened to and supported financially Queen of Peace Catholic Radio. In loving memory of Paul, I make this contribution. I will pray for all of you and for success."*

Still another supporter reminded us of what a blessing local Catholic radio is for listeners:

*"We had every radio tuned to Catholic radio. We were monthly supporters. Oh, how I miss it!"*

Our Website, [www.queenof-heavenradio.com](http://www.queenof-heavenradio.com), is fully functional, and it is proving to be a great tool to educate people about our dream. Even without a station and with very little marketing, the number of people visiting our Website increased dramatically last month. You can help us spread the word about Catholic radio by telling folks about the Website. And, for those wishing to make a donation, we now can accept credit card contributions through this Website.

One of the ways we are letting people know about our efforts is through the parishes. Several parishes now have our Queen of Heaven Radio newsletters in their vestibules. If you would like to distribute these newsletters in your business or parish, please contact Briana Dudley at (205) 879-0432. (As always, please make sure to ask permission from your priest before placing them in the church.)

But even with all of these positive developments, the financial need continues. Currently,

we need another \$150,000 to \$250,000 to be in the ballpark for purchasing a station. Our recent \$100,000 pledge made a significant difference. And we're talking with a few other people who could write checks for large amounts, too. In the meantime though, we still need your support to realize the dream of bringing Catholic radio programming back to the Birmingham airwaves.

Here's how you can help: First, please pray for our efforts. We have made several offers on stations in Birmingham. So far, Jesus has said, "Not yet," to our efforts. That just tells us that He has a better plan or a better station for us; so more prayers are needed.

Next, please consider making an investment in Catholic radio. Your contribution is 100% tax deductible, and we're making every effort to be good stewards of your contributions. Perhaps you can invest \$10, \$50 or \$100 to help. Maybe you can make regular contributions like so many of our supporters.

And finally, please tell family members, friends and fellow parishioners about our efforts, and ask them to make an investment in Catholic radio, too.

With your gifts and your prayers, you are helping realize the dream of bringing Catholic radio back to our community. With your help, we will realize this worthwhile dream.

# Queen of Heaven RADIO

Dear Friends of Catholic Radio:

We want to bring Catholic radio (and EWTN Catholic programming) back to Birmingham. We need your prayers and your financial help to make this dream a reality.

In the late 1990s, a group out of Jacksonville, Florida—Queen of Peace Radio—first brought Catholic radio to Birmingham. While on the air, the station enjoyed a devoted following of Catholics who listened regularly as a way to deepen their faith. The station also became an evangelization tool to reach many non-Catholics in the Birmingham area with the truths of the Catholic Faith.

This important work continued until the station was, unfortunately, sold in 2004. Now, Queen of Heaven Radio, Inc., a non-profit corporation whose Board of Directors is comprised entirely of people who live and work in Birmingham, is committed to re-establishing local Catholic radio.

Since 2005, the board has been able to raise approximately \$562,500 to bring Catholic radio back to Birmingham. This puts us well within reach of our \$850,000 goal, which is the amount we need to make this dream become a reality. It is the amount we need to purchase a station.

Can you help us realize this dream? Can you help us bring Catholic radio back to Birmingham? We can't do it without your support!

Here's how you can help: First, please pray for our efforts. As this newsletter is being published, we are making an offer on a station. Please pray that we can work out all the details. Next, would you please consider an investment in Catholic radio right now? Know that 100% of your investment will go toward the purchase of a Catholic radio station for Birmingham (perhaps even the station we're pursuing right now). Your donation is 100% tax-deductible.

Perhaps you can invest \$10, \$50 or \$100 to help in this effort. Or, maybe you can make regular contributions of \$10, \$50 or \$100 a month. Please consider making a donation.

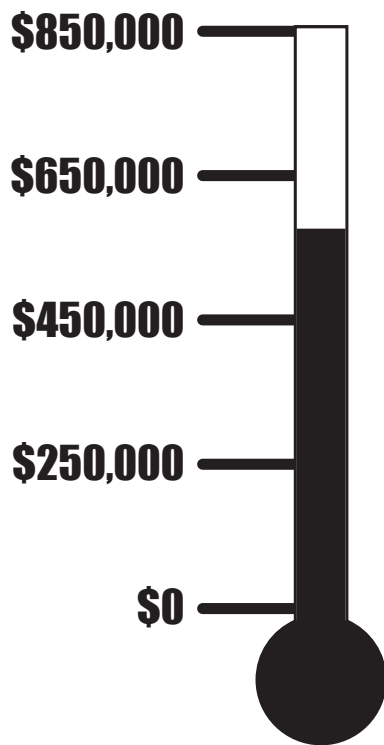

We welcome all your contributions, and we invite you to share in our worthy goal. With your gifts and your prayers you are helping realize the dream of bringing Catholic radio back to Birmingham.

Please don't forget those prayers!
